

Our Vision

We're creating a more equitable world so people with developmental disabilities can choose their path. We do this by breaking down barriers and biases, providing access to innovative individualized care services, clinical research and advocacy — all powered by intelligent technologies.

Our Values

Bold: Act courageously and think differently.

Community-centered: Support and celebrate the experiences of others.

Equity-informed: Ensure fair and equal access for all.

Wellbeing-driven: Create healthy structures and systems.
